

ABUNDANCE...I embrace and claim a life of abundance. I am surrounded by unlimited abundance. Divine abundance nurtures every part of me. My every desire is fulfilled by the abundant nature of life. Spirit is everywhere present and my source of abundance in all ways. I enjoy an abundance of health, wealth and happiness now. I take great pleasure in living a life of divine abundance and prosperity. Abundant success and prosperity follow me everywhere I go. My life reflects the abundance of Spirit. I am free. I joyfully recognize the abundant blessings that are mine in this moment. Today I give thanks for the abundance that is manifesting in my life.
